

Compounding Pharmacy Assistant / Technician Position Now Available!

We're hiring! We have a great opportunity available in the field of Compounding Pharmacy. Enjoy working without the hassle of insurance billing and with highly satisfied customers. This position offers a Monday through Friday schedule, occasional Saturdays with no Sundays or holidays, making it perfect for a great work-life balance.

We're looking for someone who's eager to grow with us—there's potential for career advancement for the right candidate. You'll be joining a positive, friendly team that truly celebrates our pharmacy family.

If this sounds like the perfect fit for you, let's connect!

Kusler's Compounding Pharmacy, located in Snohomish, WA, is currently hiring for a full-time Pharmacy Assistant / Technician! We are an independent, family-owned pharmacy that is dedicated to solving medication problems by providing custom medications. Our staff functions as a team and our growing pharmacy is looking for our next team member. We are looking for a team member who wants an inspiring career that provides a valuable and needed service for our community. Patient safety, customer service, professionalism and quality are the core values of our pharmacy. We are looking for a team player with a positive outlook and a desire to learn and grow professionally.

Qualifications: No direct Pharmacy experience is required; we will provide all training for the right candidate. You will need to be able to obtain a Washington State Pharmacy Assistant license.

Job Description: A Compounding Pharmacy Assistant supports the Pharmacy in many ways, including:

- Provide excellent patient care and customer service.
- Lead retail pharmacy operations by managing supplement inventory, complete ordering, stocking, and merchandising.
- Maintain assigned work areas and equipment in a clean and orderly condition.
- Operate cash register and related front counter tasks.
- Processing of pharmacy mail orders.
- File and retrieve pharmacy records as required.
- Support the team by answering phones, greeting callers, establishing reason for the call and routing to the appropriate person.

Kusler's - PH: 360.568.1297 | FX: 360.243.3167 | www.kuslers.com
700 Avenue D, Suite 102 | Snohomish WA 98290

Clark's - PH: 425.881.0222 | FX: 425.885.1213 | www.clarksparmacywa.com
15615 Bel-Red Rd, Suite B | Bellevue WA 98008

Growth Opportunities: As your interest and experience in Pharmacy grows we offer a Technician in Training development program, to support your ambition to obtain a Pharmacy Technician license. If you already have your Pharmacy Technician license we can train you on all aspects of the pharmacy, including the skills listed above plus learning how to make compounded medications in our Labs.

Pay and Benefits: We offer competitive pay that is aligned to your level of experience and licensure (Starting at \$21-\$26 per hour, dependent upon licensure and experience). As you gain experience and expertise your compensation grows. For full time team members, we offer Medical, Dental, Vision benefits. In addition, we provide vacation, sick leave, a bonus pay program and a 401K retirement program with matching contributions.

Do our Company Values Resonate with You? If so, please apply for our open position.

- **Communicate Openly:** We communicate openly, honestly, directly, and with respect and timeliness.
- **Teamwork and Attitude Wins:** We achieve our goals and high quality of results through teamwork, positive attitude, trust and respect for each other. There is no tolerance for prejudice within our team or Pharmacy.
- **Customer Commitment:** We develop relationships that make a positive difference in our customers' lives.
- **Integrity Always:** Truthfulness and honesty are the hallmarks of who we are. When faced with difficult decisions and hard choices, we choose to do the right thing.
- **LEAN Mindset:** We actively seek to improve our workflows and processes. We use LEAN principles to improve our efficiency in order to deliver the highest level of value to our customers.
- **Leaders in Pharmacy:** We are leaders in our industry, dedicated to continuous improvement and continual learning.
- **Deliver Quality without Compromise:** Through our innovative practices, outstanding products and unsurpassed service we will deliver premium value to our customers and improve our profession.
- **Celebrate your Pharmacy Family:** Recognize and celebrate each other's successes, big and small. Stay healthy, care for yourself and your family, enjoy living life.
